Procedure for a critical incident outside of setting

In the sad event of being notified about a child or adults death there can be on-going actions and issues that need to be addressed. e.g. distress for staff, children and parents as well as on-going investigations by social care, Police and high media interest.

There is no need to contact OFSTED or social care however if we feel the incident is a Safeguarding Child issue we will follow our Safeguarding Children Policy.

Procedure following a critical incident outside of setting

- Inform EECU for support
- Offer counselling for staff if needed or requested
- If a statement is required liaise with EECU for advice and guidance. Agree what is to be said with staff so consistency is upheld
- Contact all parents to ensure that they hear about the incident directly from us, so that they hear the correct information. Ask EECU for help and guidance.

A Critical Incident response time line is available in the critical incident booklet (Bottom draw filing cabinet and on the wall by the sink in corner of main room)
